ROAD CLOSURES FOR THE LORD MAYOR'S SHOW

14 NOVEMBER 2026

Most roads in the City of London will be completely closed on the day of the Lord Mayor's Show, from about 7am (6am in the Bank area) until about 4pm. During that time they will admit no traffic whatsoever.

The closed area extends from Kingsway in the East to Bishopsgate in the west, and from the river up to Holborn and Chapterhouse Street. Those roads all remain open, but everything between them is closed.

Most roads will reopen by 4pm but please check the Lord Mayor's Show website for last minute changes.
